PART A – INTRODUCTION AND BACKGROUND

This Code is the AFIA Insurance Premium Funding Code of Lending Practice (Code). This Code is effective from xxxx.

The Australian Finance Industry Association Limited (AFIA) will arrange for a review of this Code at least every 3 years or sooner if instructed by the Code Compliance Committee (CCC).

1. OBJECTIVES OF THIS CODE

A primary objective of this Code is to encourage the adoption of high Industry standards and compliance with laws and regulations.

This Code has been voluntarily developed by the AFIA Insurance Premium Funding Group to assist the AFIA Insurance Premium Funding Group to:

- (a) promote high Industry standards of service to customers;
- (b) provide a benchmark for consistency within the AFIA Insurance Premium Funding Group with respect to matters such as the disclosure of comparable financial information to borrowers; and
- (c) support compliance with legal and industry obligations.

2. WHO IS BOUND BY THIS CODE?

Subject to the terms of this Code, this Code is binding on Code Compliant Members of the AFIA Insurance Premium Funding Group when they provide Insurance Premium Funding Loans.

The particular circumstances in which the Code will apply are set out in the balance of this Part A. A list of Code Compliant Members, and when they became Code Compliant Members, can be found on the AFIA website. The Code Compliant Members are subject to the oversight of the CCC.

AFIA INSURANCE PREMIUM FUNDERS CODE OF LENDING PRACTICE
